Hood at 5636/- It is desirable to continue the present special Revenue Inspection which was 40-45 p.m during the year 43-44 & the place need not be abolished. The time of the D.C's letter suggested that he did not quite realise to what extent the Inspection affects the collection of land revenue & that an order to that effect involving expenditure of Rs 5 or 6 p.a would be nothing comparatively when a sum of Rs 5636/- would have to be collected as arrears, exclusive of the current demand for 1943-44. The work would be such as to afford ample scope for the D.C to attend to it with difficult immediately likely to interfere with his other duties. The D.C may be requested that the present arrangement of having the Special Inspection may be continued & that the results of the during 1943 may be watched & reviewed after the end of the year to see whether the desired effect is being achieved. If so, the Inspection may be continued for another year.

The heavy arrears in Hassan District call for special measures to collect them. I would suggest that the Special Inspection be continued for a year or two.

The Secretary to the Government

of His Highness the Maharaja of Mysore,

Law Department, Bangalore

Sir,

Subject - Proposal of the Thirthahalli Minor Municipal Council for the abolition of the post of the Special Revenue Inspector on Rs 40/- plus C A Rs 5/- p m and to the appointment of a Bill Collector on Rs 15/- p m

---

In forwarding herewith in original, correspondence received from the Sub Division Officer, Shimoga, ending with his memo No R1 C 941-177 42-43 dated 24th April 1943, on the subject noted above, I have the honour to state as follows -

2 The appointment of a Special Revenue Inspector on a pay of Rs 40/- plus C A Rs 5/- p m by the Thirthahalli Minor Municipality was sanctioned by Government in their order No L 5274-76/M1 112-37-8 dated 14th December 1937

3 The Municipal President, Thirthahalli reports that at the time of passing the draft Budget of the municipality for the ensuing year 1943-44, at its meeting held on 16-4-43, the question of continuance or otherwise of the Special Revenue Inspector attached to the Municipality was considered by the Municipal Council It was resolved thereat that the post of the Special Revenue Inspector might be abolished and that a bill collector on Rs 15/- p m be sanctioned with effect from the ensuing year 1943-44 It was further resolved that the present Municipal Shanbhogue on Rs 11/-p m be appointed as Bill Collector of this Municipality

4 The President states that there has been improvement in collection work ever since the appointment of the Revenue Inspector to the Municipality He adds that in view of the reduced arrears under mohatarfa(viz , Rs 5,636/- at the end of March 1943), the collection work could be attended to by the Bill Collector and that this proposal would end in savings, of Rs 522/- per annum

5 The President requests that the post of the Revenue Inspector might be abolished and that the present Shanbhogue of the Municipality on Rs 11/- p m be appointed as bill collector on Rs 15/- p m as resolved by the Municipal Council

6 The Sub Division Officer, Shimoga, supports the recommendation of the Municipal President

7 I have looked into the question I think that the present Revenue Inspector of the Municipality who is a permanent incumbent has to be absorbed elsewhere, if the post of this Special Revenue Inspector is to be abolished as proposed by the Municipal Council

8 As to the employment of a bill collector on Rs 15/- p m by the Municipality, I write to state that the Municipal Council will be permitted to employ a bill collector on Rs 15/- p m on a temporary basis as an experimental measure, for a period of one year, in the first instance as I am myself competent to sanction temporary establishment of the kind under Rule 27 (B)(b) M A M, if the above proposal of the Municipal Council for the abolition of the Revenue Inspector's post meets the approval of Government

57

9 In these circumstances, I request the favour of orders of Government, for abolition of the post of the Special Revenue Inspector with effect from the year 1943-44, and to treat the present incumbent as Supernumerary, till he is absorbed elsewhere Till then the existing arrangement of collecting the taxes by the Special Revenue Inspector, with the assistance of the Municipal Shanbhogue will be continued

I solicit the favour of early orders of Government in the matter

I have the honour to be,
Sir,
Your most obedient servant,

G.S.Shankarado
